SatelliteARC Form

To ensure the integrity of the building and to protect aesthetics of our community the following steps are to be taken:

- 1) An application must be submitted to the Architectural Review Committee (ARC) for approval. Installation WILL NOT begin until the application has been approved and an installation agreement has been signed by the owner.
- 2) The dish is to be mounted to the soffit, with a soffit mount! Any installation charge by the provider is to be paid by the unit owner.
- 3) If the owner sells or the satellite service has ended, the dish must be removed within fourteen (14) days. Any repairs to the building mounting surface must be made and are to be paid for by the unit owner.

Failure to follow the above guidelines will result in a violation, which may result in a monetary fine.

Thank you,

ARC @ Stoneywood Cove
